**Whole-School Policy: Child Protection (Designated contact names)**

## I. Purpose and Aim

I.1 Eggescliffe School & Sixth Form's whole-school Child Protection Policy aims to provide clear direction to staff and others about expected codes of behaviour in dealing with child welfare concerns. The policy also aims to make explicit the school's commitment to the development of good practice and sound procedures to keep children safe in our school. This policy recognises that abuse can occur in all communities and contexts and that all staff have a responsibility and the opportunity to support children, in sharing concerns and worries in school to feel safe. The whole school culture of vigilance in Eggescliffe school creates a safe space where children are supported, listened to and valued in what they choose to share and that ALL staff act immediately with the necessary level of intervention to create the most effective outcome for every individual child.

I.2 The purpose of the policy is, therefore, to ensure that our children's welfare is of paramount importance, early and additional help is offered to prevent escalation and where child protection concerns are identified referrals are handled sensitively, professionally and in ways that support the needs of the child's well-being.

I.3 Governors and staff are committed within Eggescliffe School and Sixth Form to keeping children safe and promoting the welfare of children in our care through all our policies, procedures and practices. We expect all our pupils' parents and visitors to share this commitment and understanding.

## 2. Introduction

Eggescliffe School and Sixth Form fully recognises the contribution it can make to keeping children safe and supporting the pupils in its care. There are four main elements to Eggescliffe School's child protection policy:

- I. **Prevention** (positive school atmosphere, careful and vigilant teaching, pastoral care, support to pupils, providing good adult role models and the identification of early and additional support/services to children and families and recognising and reducing risks to children including harassment, bullying, victimisation, sexual violence and sexual harassment, exploitation, radicalisation and issues such as Honour Based Violence (Female Genital Mutilation and Forced Marriage.)
- II. **Protection** (following agreed procedures, ensuring all staff respond appropriately and sensitively to child protection concerns and that every member of staff has regular training and updates at least annually and are supported to refer their concerns to the Designated Safeguarding Lead Mrs Dianne Williams or Deputy Designated Safeguarding Lead Mr Mark

Cowan or Dr Caroline Lear or The Children's Hub (01429 284284) directly IF NECESSARY. In certain specific cases such as Female Genital Mutilation (Mandatory reporting of FGM from October 2015), Radicalisation or Forced Marriage there are SPOCS/named teams and individuals within the police who can be contacted).

III. **Reconsideration** (following and challenging the progress of new referrals and existing cases to ensure that individual cases are reconsidered if there remains no improvement to a child's circumstances).

IV. **Support** (to pupils and school staff and to children who maybe vulnerable due to their individual circumstances).

2.1 All staff have the added responsibility of recognising that there may be children with additional vulnerability who remain at higher risk of harm or abuse because of their existing vulnerability. All school and college staff should be particularly alert to the potential need for early help for a child who:

- is disabled and has specific additional needs;
- has special educational needs (whether or not they have a statutory education, health and care plan);
- is a young carer;
- is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups;
- is frequently missing/goes missing from care or from home;
- is misusing drugs or alcohol themselves;
- Is at risk of modern slavery, trafficking or exploitation;
- is in a family circumstance presenting challenges for the child, such as substance abuse, adult mental health problems or domestic abuse;
- has returned home to their family from care;
- is showing early signs of abuse and/or neglect;
- is at risk of being radicalised or exploited;
- is a privately fostered child.

(KCSIE 2018)

2.2 All Staff have a responsibility to recognise child abuse, neglect and peer on peer abuse in its many forms. Additional guidance on how our school supports the following areas of additional need or harm are provided in the hyperlinked documents in Appendix I of this Child Protection Policy and includes the full list taken from Keeping Children Safe in Education 2018 pages 87 and 88. Where the school has created an additional school policy because of any specific area of need this is to be read in conjunction with this Child Protection Policy.

2.3 Broadly the areas taken from Keeping Children Safe in Education, 2018 Annex A, include

- Children in the court system
- Children missing from education
- Children with family members in prison
- Child Sexual Exploitation
- Child Criminal Exploitation - County Lines
- Domestic Abuse
- Homelessness
- So called 'Honour Based Violence' inclusive of Female Genital Mutilation, Forced Marriage and practises such as Breast Ironing.
- Preventing Radicalisation
- Peer on Peer Abuse
- Sexual Violence and Sexual Harassment
- Additional advice and support

(KCSIE 2018)

2.4 In the event of any of these issues being recognised, information should be shared directly with the Designated Safeguarding Leads which will result in the situation being recorded, evaluated and support offered in school or the pupil/s being referred to specific services.

This policy applies to Egglecliffe School's whole workforce.

### 3. Framework and Legislation

3.1 No Schools operate in isolation. Keeping children safe from significant harm is the responsibility of all adults especially those working with children. The development of appropriate procedures and the monitoring of good practice are the responsibilities of Stockton Local Safeguarding Partner arrangements, which includes the partnership of several agencies who work with children and families across the Borough.

3.2 Egglecliffe School & Sixth Form is committed to keeping children safe and safeguarding all children in accordance with Child Protection: Tees Local Safeguarding Partner arrangements <http://www.teescpp.org.uk> and partner agencies in all cases where there is a concern about significant harm.

3.3 Significant Harm is defined in The Children's Act 1989 as the ill-treatment (including sexual abuse and physical abuse) or the impairment of health (physical or mental) or development (physical, intellectual, emotional, social or behavioural) as compared to a similar child.

3.4 Note: harm now includes the impairment of a child's health or development as a result of witnessing the ill treatment of another person.

*(Adoption and Children Act 2002)*

3.5 Local Authorities have a duty to investigate (under S47 of the Children Act 1989). Where a Local Authority is informed that there is a child who is living, or is found, in their area and they have reasonable cause to suspect that child is suffering or is likely to suffer significant harm they must make such enquiries as necessary to promote or safeguard the child's welfare. The Children's Hub undertakes this responsibility on behalf of the Local Authority once a referral has been made.

3.6 Keeping Children Safe in Education September 2018 contains information on what schools and colleges **should** do and sets out the legal duties with which schools and colleges **must** comply. It should be read alongside Working Together to Safeguard Children 2018 which applies to all the schools, including maintained nursery schools. The Children Act 1989 sets out the Legal Framework.

## 4. Roles and Responsibilities for all staff

4.1 Safeguarding and promoting the welfare of children is defined for the purposes of this policy as: protecting ALL children from maltreatment and abuse; (including in addition to the four categories of harm, issues such as sexual violence and sexual harassment, child criminal exploitation, child sexual exploitation (CSE), Honour based violence (HBV) inclusive of Female Genital Mutilation (FGM) and Forced Marriage, preventing radicalisation and extremism, harassment, bullying and victimisation) preventing impairment of children's health or development; ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and taking action to enable all children to have the best outcomes. This includes everyone under the age of 18.

4.2 Everyone who comes into contact with children and their families has a role to play in safeguarding children. Due to the regular contact with children all staff at Egglecliffe School have, we hold a particularly important role in safeguarding as we are in a position to identify concerns early, provide help for children and to prevent concerns from escalating. Children can make disclosures or show signs of abuse at any time and to any individual and safeguarding incidents can occur within schools. Therefore, through a thorough induction process and the sharing of this policy to all staff, students and volunteers. Therefore it is important that ALL staff:

- Ensure that they listen to and reflect on the voice of the child at ALL times and take seriously any concerns raised to them by a child.
- Ensure that they report ANY concerns of harm to any child to the Designated Safeguarding Lead immediately. (However, ALL staff can refer their concerns directly to The Children's Hub if necessary and the police in the stated incidents above. They should inform the Designated Safeguarding Lead as soon as possible if they have reported concerns directly.
- Ensure that they record any information shared directly with them by a child or observed/witnessed with the Designated Safeguarding Lead immediately. This could include sharing information on behalf of the Designated Safeguarding Lead with other agencies. All discussions decisions and reasons for them should be recorded in writing adhering to the school's recording and information sharing policy/ procedure.
- Ensure that they maintain an attitude of **'it could happen here'** and report any concerns regarding the behaviour of a child /an adult/staff member in school directly to the Designated Safeguarding Lead/Head Teacher.
- Ensure that they feel able to raise concerns about poor or unsafe practices of staff and potential failures in the school's safeguarding regime through whistleblowing procedures and the staff behaviour/code of conduct policy.

- Ensure that they attend regular formal training/updates at least annually to support them in recognising the signs and symptoms of abuse, particularly in support of early identification of needs of children to prevent an escalation of need or risk to the child.
- Ensure from the 1<sup>st</sup> July 2015 for schools, that under the Counter Terrorism and Security Act, April 2015 that the school has 'Due regard' To Prevent' and to assess risk of children and young people being radicalised drawn into extremism (based upon potential risks in local area and that clear protocols in place for all visitors so that views are appropriate and not an opportunity to influence others).
- Ensure from October 2015 that there is mandatory reporting to the police in all cases where teachers discover that an act of FGM appears to have been carried out.
- Ensure that staff understand through online safety training the additional risks for pupils online and continue to promote the School's Online Safety Policy in the protection of all pupils. This includes the management of 3G and 4G internet access via children's own mobile phones or electronic devices that can allow them unlimited access to the internet without any restrictions using their own data allowance. It should be clear in every school's online safety policy, the expectations of pupils regarding their own devices whilst on school site and the consequences of any evidence of inappropriate use of the internet.
- Ensure that they remain vigilant whilst visitors are on site and continue to promote the school's commitment to keeping children safe through reminding visitors and parents of the school's appropriate use of personal mobile phones/devices whilst they are on school premises. This includes staff understanding and adhering to the Staff Behaviour Policy inclusive of use of mobile phones and electronic devices.

4.3 Egglecliffe School will work with social care, the police, health services and other services to promote the welfare of children and protect them from harm.

## 5. The Designated Safeguarding Lead

5.1 Egglecliffe School has appointed from our SLT, Mrs Dianne Williams to be our Designated Safeguarding Lead. ## 6. Role of the Designated Safeguarding Lead

6.1 At Eggescliffe School we have appointed the following Deputy Designated Leads Mr Mark Cowan and Dr Caroline Lear who are part of the safeguarding team. These individuals are trained to the same standard as the Designated Safeguarding Lead. Whilst the activities of the Designated Safeguarding Lead can be delegated to appropriately trained deputies the ultimate LEAD RESPONSIBILITY for child protection will not be delegated and remains with the Designated Safeguarding Lead.

6.2 Any deputies should be trained to the same standard as the designated safeguarding lead and the role should be explicit in their job description.

6.3 The Designated Safeguarding Lead has a very detailed role, (see below)

However, if there is an IMMEDIATE safeguarding concern and the Designated Safeguarding Leads are unavailable please seek immediate support via The Children's Hub (01429 284284)

## 9. Undertake Training

The Designated Safeguarding Lead and any deputies should receive appropriate training updated every two years. They should undertake prevent awareness raising in addition to the formal training, their knowledge and skills should be refreshed (this might be via e-bulletins, meeting other Designated Safeguarding Leads, or taking time to read and digest safeguarding developments) at regular intervals, as required, and at least annually, so they:

- Understand and keep up with any developments to their role
- Understand the assessment process for providing early help and intervention, for example through locally agreed common and shared assessment processes such as early help assessments (Single Assessment Continuum of Need).
- The **Local Assessment Protocol** which sits alongside the **Continuum of Need and Services**
- Have a working knowledge of how local authorities conduct a child protection case conference and a child protection review conference and be able to attend and contribute to these effectively when required to do so.
- Ensure each member of staff has access to and understands the schools or colleges Child Protection Policy and procedures, especially new and part time staff.

- Are alert to the specific needs of children in need, those with special educational needs and young carers.
- Understand relevant data protection legislation and regulations, especially the Data Protection Act 2018 and the General Data Protection Regulation
- Understand the importance of information sharing, both within the school and college, and with the three safeguarding partners, other agencies, organisations and practitioners.
- Are able to keep detailed, accurate, secure, written or electronic records of concerns and referrals.
- Understand and support the school or college with regards to the requirements of the Prevent duty and be able to provide advice and support to staff on protecting children from the risk of radicalisation.
- Are able to understand the unique risks associated with online safety and be confident that they have the relevant knowledge and up to date capability required to keep children safe whilst they are online at school or college.
- Can recognise the additional risks that children with SEN and disabilities (SEND) face online, for example, from online bullying, grooming and radicalisation and are confident they have the capability to support SEND children to stay safe online.
- Obtain access to resources and attend any relevant or refresher training courses.
- Encourage a culture of listening to children and taking account of their wishes and feelings, among all staff, in any measures the school or college may put in place to protect them.

## 10. Raise Awareness

The designated safeguarding lead should ensure the school or college's policies are known understood and used appropriately:

- Ensure the school or colleges Child Protection Policy is reviewed annually (as a minimum) and the procedures and implementation are updated and reviewed regularly, and work with governing bodies or proprietors and the workforce in this regard to ensure its effectiveness. This includes ensuring that all staff receive the policy on their induction.
- Ensure the Child Protection Policy is available publicly and parents are aware of the fact that referrals about suspected abuse or neglect may be made and the role of the school or college in this.

- Link with the SLSCB to make sure staff are aware of training opportunities and the latest local policies on safeguarding.

## 11. Child Protection File

- Where children leave the school or college ensure their child protection file is transferred appropriately for any new school or college as soon as possible but transferred separately from the main pupil file. Ensuring secure transit and confirmation of receipt. This may be through an electronic system.
- Receiving schools and colleges should ensure key staff such as Designated Safeguarding Leads and SENCOs or the named person with oversight for SEN in colleges, are aware as required.
- In addition to the child protection file, the Designated Safeguarding Lead should also consider if it would be appropriate to share any information with the new school or college in advance of a child leaving. For example, information that would allow the new school or college to continue supporting victims of abuse and have that support in place for when the child arrives.

## 12. Availability

- During term time the designated safeguarding lead (or a deputy) should always be available (during school or college hours) for staff in the school or college to discuss any safeguarding concerns.
- Whilst generally speaking the designated safeguarding lead (or deputy) would be expected to be available in person, it is a matter for individual schools and colleges, working with the designated safeguarding lead, to consider whether in exceptional circumstances availability via phone and or Skype or other such mediums is acceptable.
- The designated safeguarding lead and school should arrange adequate and appropriate cover arrangements for any out of hours/out of term activities.

## 13. Recommendations

- Ensure each member of staff has access to and understands the School's suite of safeguarding policies particularly the Child Protection Policy and the Staff Behaviour Policy, especially new or part-time staff who may work with different establishments.
- Be aware of all school excursions and residentials and clarify with educational visit co-ordinator/group leader(s) their role and responsibility in connection with safeguarding/child protection. (Mrs L. Oyston can support with this). All staff running trips **MUST** have attended annual training on running educational visits annually.
- Ensure a whole school policy about managing behaviour and discipline including the use of reasonable force, is in place. There are circumstances when it is appropriate for staff in schools and colleges to use reasonable force to safeguard children and young people. The term 'reasonable force' covers the broad range of actions used by staff that involve a degree of physical contact to control or restrain children. This can range from guiding a child to safety by the arm, to more extreme circumstances such as breaking up a fight or where a young person needs to be restrained to prevent violence or injury. 'Reasonable' in these circumstances means 'using no more force than is needed'. The use of force may involve either passive physical contact, such as standing between pupils or blocking a pupil's path, or active physical contact such as leading a pupil by the arm out of the classroom. When using reasonable force in response to risks presented by incidents involving children with SEN or disabilities or with medical conditions, schools and colleges should in considering the risks carefully recognise the additional vulnerability of these groups. They should also consider their duties under the Equality Act 2010/36 in relation to making reasonable adjustments, non-discrimination and their Public Sector Equality Duty.
- Ensure an effective whole school policy against bullying/cyber-bullying inclusive of measures to prevent all forms of bullying among pupils, is in place.
- Inform LA of any pupil to be deleted from school admission register and follow missing from Education protocols
- Inform the LA of any pupil who fails to attend school regularly, or has been absent without schools permission for a continuous period of 10 days or more.

## 14. Responsibilities of Vision Academy Learning Trust and Egglecliffe School local Governors body

14.1 A Safeguarding Governor at senior board level has been appointed to support the Designated Safeguarding Lead in their role from the perspective of ensuring the allocation of funding and resource is sufficient to meet the current safeguarding and child protection activity, challenge the safeguarding activity and ensure both the self-assessment tool and the

Designated Safeguarding Lead report demonstrates fully and accurately the safeguarding arrangements and any action to progress areas of weakness or development.

14.2 At Egglecliffe School's the senior lead Governor/Trust member for safeguarding is Mrs J Richards

#### 15. The role of this individual is to:

- Ensure that governing bodies receive training to clarify their statutory role in keeping children safe to support their quality assurance of those statutory arrangements.
- Ensure that the governing body is aware of the changes from Local Safeguarding Partner arrangements's to Safeguarding Partner arrangements and the need for the school/college to understand their role in effective multi-agency working under the new arrangements

#### 16. The role of the Chair in Safeguarding, is to:

- Ensure that in the event of allegations of abuse being made against the Head Teacher, where the Head Teacher is also the sole proprietor of an independent school, allegations should be reported directly to the Designated Officer (DO). Therefore ensuring effective whistleblowing procedures are in place.
- Ensure that the appointed member of the Governing Body for Safeguarding holds the Head Teacher to account on all matters involving safeguarding through an effective Child Protection Policy that is embedded and followed by the entire workforce in all of the above raised areas.
- Ensure that all staff undergo safeguarding training at induction and that they receive regular updates.
- Ensure that the school has appropriate filtering and monitoring systems in place for online content.
- Ensure that children are taught about safeguarding through Personal, Social, Health and Economic Education (PSHE) and/or Sex and Relationships Education.
- Ensure that a designated teacher is appointed to promote the educational achievement of looked after children, including working with the Local Authority's virtual school Head Teacher and discuss how pupil premium funding for looked after children will be used.

## 17. Information for Parents

At Eggescliffe School, Governors and staff are committed to keeping our children safe and will take any reasonable action to safeguard and promote their welfare. In cases where the school has reason to be concerned that a child may be suffering significant harm, ill treatment, neglect or other forms of harm, staff have no alternative but to follow Stockton Safeguarding Children Board procedures and inform The Children's Hub or police of their concern.

## 18. Procedures

The designated safeguarding lead (or deputy DSL) will be informed immediately by an employee of the school, pupil of the school, parent of the school or other persons, in the following circumstances:

- Suspicion that a child is being harmed
- There is evidence that a child is being harmed

The threshold of significant harm is defined in the Children Act 1989 Section 31 (9) as:

- Ill-treatment
- Impairment of health (as compared to a similar child)

*Note: harm now includes the impairment of a child's health or development as a result of witnessing the ill-treatment of another person (Adoption and Children Act 2002).*

Working together 2018 defines the categories of harm as:

## 19. Physical Abuse

A form of abuse which may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces illness in a child.

## 20. Neglect

20.1 The persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development.

20.2 Neglect may occur during pregnancy as a result of maternal substance misuse. Once a child is born, neglect may involve a parent or carer failing to provide adequate food and clothing, shelter including exclusion from home or abandonment, failing to protect a child from physical and emotional harm or danger, failure to ensure adequate supervision including the use of inadequate care-takers, or the failure to ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

## 21. Sexual Abuse

21.1 Involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening.

21.2 The activities may involve physical contact, including assault by penetration (for example, rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing.

21.3 They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse (including via the internet).

21.4 Sexual abuse can take place online, and technology can be used to facilitate offline abuse. Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.

## 22. Emotional Abuse

22.1 The persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person.

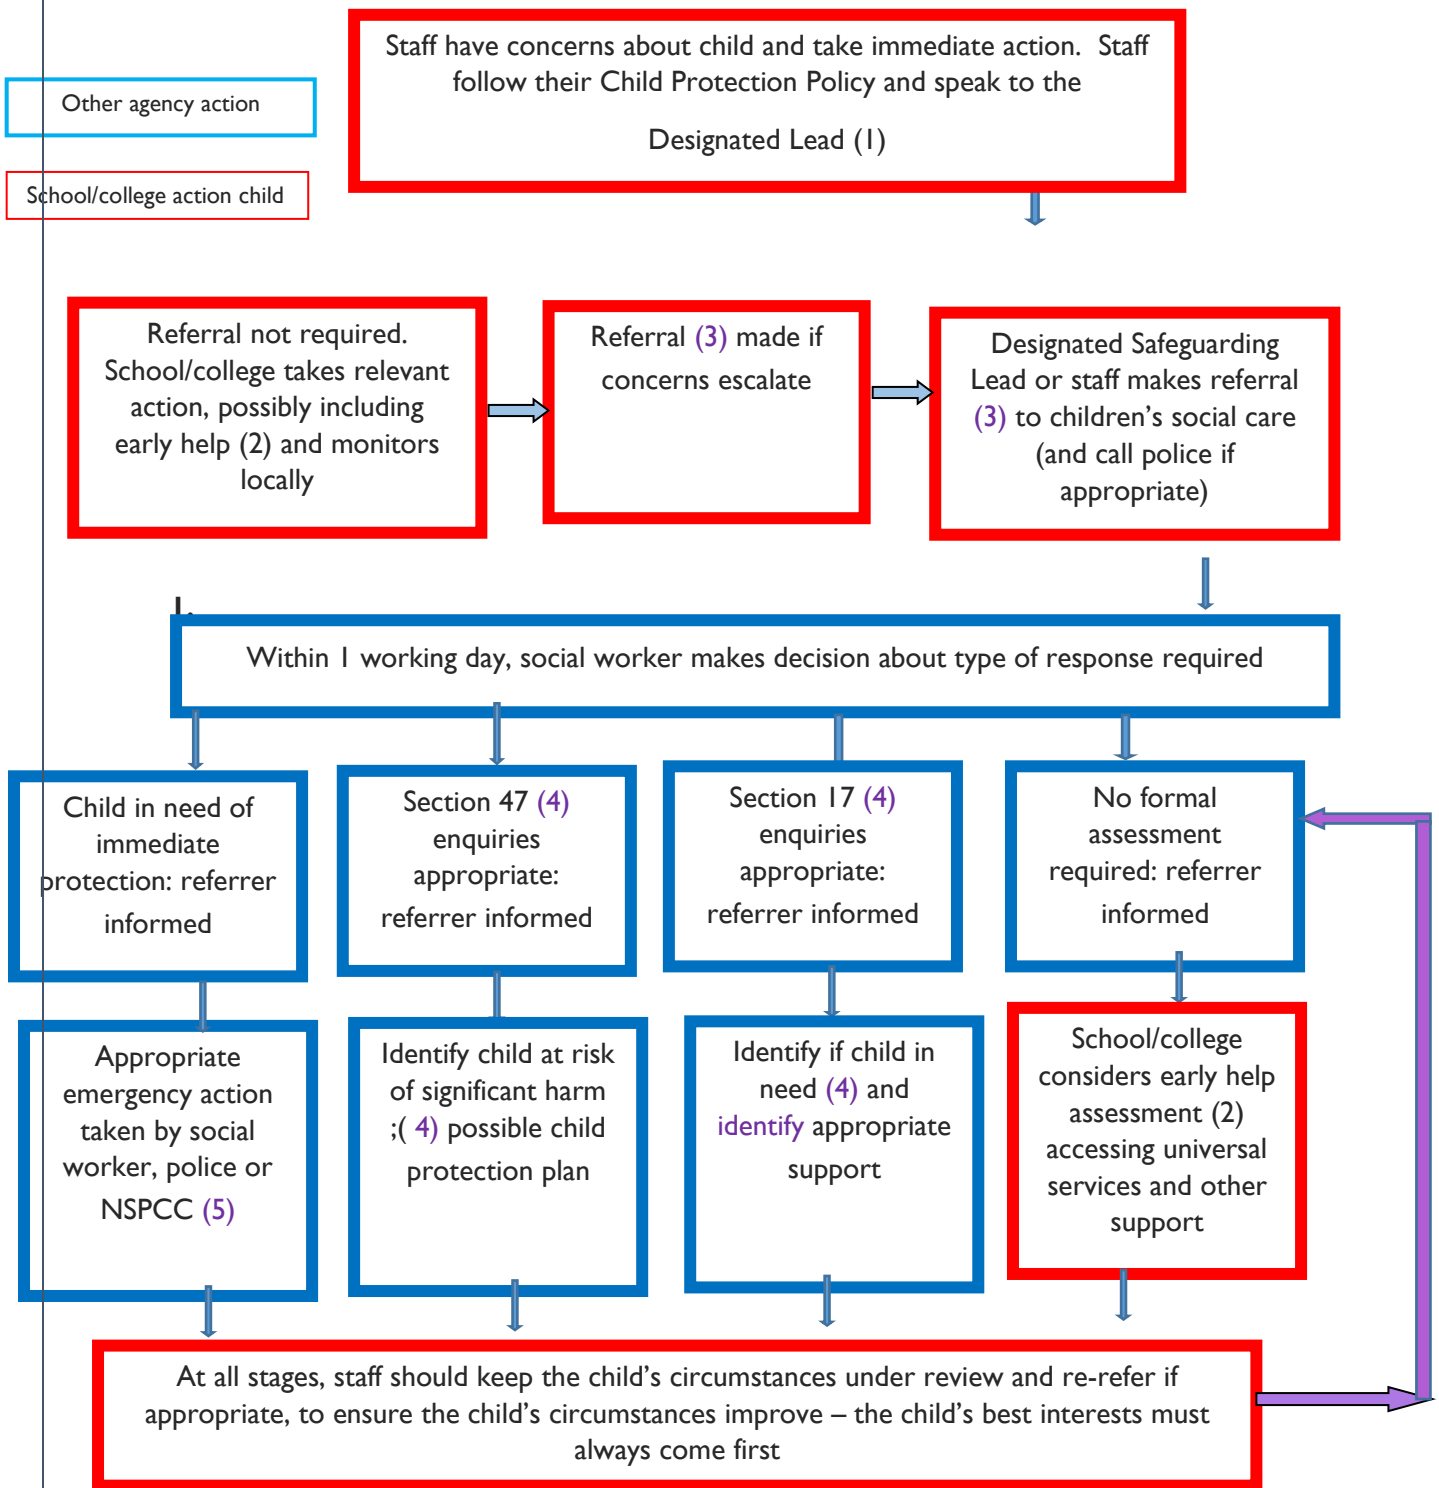

22.2 It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate.

22.3 It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction.

22.4 It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyber bullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child though it may occur alone.

22.5 The Designated Safeguarding Lead will keep a full record of concerns raised and make referrals to The Children's Hub if necessary. These records may be either handwritten or electronic but will be stored via a secure system. The Head Teacher will be kept informed at all times.

### Actions where there are concerns about a child

1. In cases which also involve an allegation of abuse against a staff member, see Part Four of KCSIE 2018
2. Early help means providing support as soon as a problem emerges at any point in a child's life. Where a child would benefit from co-ordinated early help, and early help inter-agency assessment should be arranged. Chapter One of [Working Together to Safeguard Children](#) provides details guidance on the early help process.
3. Under the Children act 1989, local authorities are required to provide services for children in need for the purposes of safeguarding and promoting their welfare. This can include S17 assessments of children in need and S47 assessments of children at risk of significant harm. Full details are in Chapter One of [Working Together to Safeguard Children](#)

## 23. Safe Schools/Safe Staff

Governors have agreed and ratified the following policies, procedures, processes or systems which must be read and considered in conjunction with this policy:

## 24. Whistle Blowing/Confidential Reporting

Egglescliffe School and Sixth Form's whistle blowing/confidential reporting policies provides guidance to staff and volunteers on how they can raise concerns and receive appropriate feedback on action taken, when staff have concerns about any adult's behaviour.

## 25. Complaints / Allegation Management Towards or with a Child or Adult

25.1 A Safeguarding complaint involving a member of staff must be reported to the Head Teacher immediately. Where there are concerns about the Head Teacher or Principal, this should be referred to the chair of governors, chair of the management committee or proprietor of an independent school as appropriate. In the event of allegations of abuse being made against the Head Teacher, where the Head Teacher is also the sole proprietor of an independent school, allegations should be reported directly to the designated officer(s) at the local authority. Staff may consider discussing any concerns with the school's designated safeguarding lead and make any referral via them. (KCSIE 2018)

25.2 Consultation without delay with the DO Phil Curtis **Tel: 01429 284284 or Direct Line: 01429 401844** will determine what action follows. A multi-agency strategy meeting may be arranged to look at the complaint in its widest context, the Head Teacher/senior member of school staff must attend this meeting, which will be arranged by the DO. All issues must be recorded on the allegation management form and the outcome reached must be noted to ensure closure.

[www.teescpp.org.uk/allegationsandconcernsagainststaff](http://www.teescpp.org.uk/allegationsandconcernsagainststaff)

## 26. Training and Support

26.1 All staff members should be aware of the systems within their school or college which support safeguarding and these should be explained to them as part of their induction into the school to ensure they can discharge their responsibilities effectively. This includes: The Child Protection Policy; Staff Behaviour Policy (sometimes called a code of conduct); Safer Working Practice Document and the Names of the Designated Safeguarding Lead and their deputies)

26.2 All staff members should also receive appropriate safeguarding and child protection training which is regularly updated. The governing body in consultation with SSLB will decide the frequency

and content of this CPD. At Eggescliffe school our whole school training is held annually. In addition, all staff members receive regular safeguarding and child protection updates via staff meetings held at least half termly or internal CPD as required but at least annually to provide them with relevant skills and knowledge to safeguard children effectively and allow them opportunities to contribute to reviewing and shaping the safeguarding arrangements in school inclusive of, the Child Protection Policy

## 27. Professional Confidentiality

Confidentiality is an issue which needs to be understood by all those working with children, particularly in the context of safeguarding. Eggescliffe School recognises that the only purpose of confidentiality in this respect is to benefit the child. (Child Protection Tees Local Safeguarding Partner arrangements procedures <http://www.teescpp.org.uk/>).

## 28. Record Keeping

28.1 Well-kept records are essential to good safeguarding practice. Eggescliffe School is clear about the need to record any concerns, discussions held, decisions made and reasons for those decisions about a child or children within its care. All staff will follow the schools information sharing and recording policies to ensure recording keeping is compliant and in line with the General Data Protection Regulations 2018 and Data Protection Act 2018.

28.2 Safeguarding Recording within Eggescliffe School is partly through a paper based system. Following a child leaving our school we follow the appropriate transfer procedures and retention guidelines.

28.3 Safeguarding Recording within Eggescliffe School is held partly electronically through a secure management system of CPOMS and all relevant staff have received training in the recording expectations and retention. Following a child leaving our school we follow the appropriate transfer procedures and retention guidelines.

It is important both systems are referred to should information be required.

## 29. Attendance at Safeguarding Conferences

In the event of Eggescliffe School being invited to attend child protection conferences, the Designated Safeguarding Lead or deputies) will represent the school and/or identify the most appropriate trained member of staff to provide information relevant to child protection conference (initial/review). ## 30. Supporting Children

30.1 Eggescliffe School and Sixth Form recognises that children who are abused or who witness violence may find it difficult to develop a sense of self-worth and to view the world in a positive way. Eggescliffe School may be the only stable, secure and predictable element in the lives of some of the children in its care. The school, therefore, recognises that such children might exhibit challenging and defiant behaviour and will take careful note of the context of such behaviour.

30.2 As an Operation Encompass partner we work closely with the team with regards to DV incidents and offer wellbeing checks to our pupils if we are contacted following an incident which has occurred in one of our pupil's homes.

30.3 Eggescliffe School also recognises that children are capable of abusing their peers. Peer on peer abuse can take many forms and any concerns raised will be investigated and dealt with appropriately. No peer on peer abuse should be tolerated or minimised as part of growing up and all those involved will be provided with an appropriate level of support. It is understood that those pupils who have experienced abuse in their own lives may in turn abuse others. This requires a considered and sensitive approach in order that the child can receive appropriate help and support. See Peer on Peer abuse policy for detailed information.

30.4 Therefore Eggescliffe School will endeavour to support all its pupils through:

- The curriculum to encourage self-esteem, self-motivation, self-protection.
- The school ethos, which promotes a positive, supportive and secure environment and which gives all pupils and adults a sense of being respected and valued.
- Approaches which allow children and young people to develop critical thinking, literacy skills and digital literacy skills.
- A curriculum which explores human rights, equality, democracy and tolerance and prepares children and young people fully for life in modern Britain.

- A curriculum where children develop personal resilience, understand and can take appropriate risks or have personal strategies/safety plans that allow them to manage their own safety. This can include topics covered as part of Relationships and Sex and Relationships Education as well as Fundamental British Values and the SMSC Curriculum which cover harm, abuse, positive and healthy relationships and crime.
- A coherent management of behaviour and discipline policy & procedures inclusive of the use of reasonable force.
- Liaison with other professionals and agencies who support children and parents.
- A commitment to develop productive, supportive relationships with parents whenever it is in the child's interest to do so.
- The development and support of a responsive and knowledgeable staff group whose role it is to respond appropriately in all safeguarding situations.

30.5 Egglecliffe School recognises that, statistically, children with behavioural difficulties and disabilities are the most vulnerable to abuse. School staff who work, in any capacity, with children with profound and multiple disabilities, sensory impairment and/or emotional and behavioural problems will need to be particularly sensitive to signs of abuse. School staff must give consideration to children who are subject to a statement of special needs, an education health and care plan or have a medical condition, as these can mask safeguarding issues and may often be attributed to the medical condition rather than that a child may be being harmed. Concerns such as changes in behaviour and presentation (both physical and mental) must be considered for each individual child and their own circumstances and must not be dismissed. Children with SEN are often more prone to peer group isolation than other children and there is greater potential for children with SEN and disabilities being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs. Therefore time must be taken to ensure that the full circumstances of any child who has additional needs and requires support around language and communication is shared at the point of referral to ensure the best possible outcome for the child is always achieved and their voice through any form of communication is always heard. To address these additional challenges, schools and colleges should consider extra pastoral support for children with SEN and disabilities

30.6 Eggescliffe School also recognises that in a home environment where there is domestic violence, drug or alcohol misuse or mental health issues children may also be vulnerable and in need of support and protection.
